International Conference on:
Citizenship Identity And National Security

Jordan
Kark. Petra, Amman

22/25/1/2014

CONFERENCE PROGRAMME
Welcome to Mutah University International Conference On Citizenship Identity And National Security. This conference comes as part of Sociology Department, Faculty of Social Sciences effort in promoting applied research in various areas of social problems encountering Jordan society as well as international societies.

I wish all participants a fruitful conference and enjoyable stay for our guests. Hope to have successful outputs in providing applied research and policy applications, which will provide lasting security for the people wherever on the planet.

I salute all of you, our distinguished guests and participants, wishing you all the success in your discussion and presentation of research papers.

University President

Prof. Rida A. Shibli
Distinguished Guests,

It is a pleasure, and honor for me to welcome you at this international conference entitled "International Conference on Citizenship, Social Identity and National Security," to be held by the Department of Sociology-Faculty of Social Sciences at Mutah University. The conference will examine and discuss important topics in people's lives as individuals and groups, "Poverty, Freedom and security." Perhaps the greatest danger facing people today is the want and fear. Immunization people against want and fear if the path towards freedom, reform and dignity, and the most important pillars of human security.

There are 100 participants in this conference, presenting 90 research papers. Mutual diverse experience of researchers and policy makers will be enacted. I welcome our guests, and participants who will honor our conference with their presence and participation.
