

## Curriculum Vitae

### ❑ Personal Details:

- **Name:** Noura Mohammed Bakr Ghareeb
- **Nationality:** Egyptian.
- **Address:** Mansoura, Dakahlia, Egypt
- **Email:** noormoh06@gmail.com
- **Mobile:** +201222643662

### ❑ Computer skills: Excellent Knowledge of Microsoft office:

1. Microsoft word.
2. Power Point.
3. Microsoft access
4. Microsoft Excel
5. Internet
6. Different apps for online E- learning

- **Language:**

- Fluent in Arabic
- Good in English written and spoken.

### ❑ Academic Qualifications:

- Graduated, Faculty of Oral and Dental Medicine Al-Azhar University for Girls, Cairo , Egypt.  
2006; B.D.S, Very good with high honor, Faculty of Oral and Dental Medicine for Girls, Al Azhar University
- 2006-2007; Internal Training in Al Zahraa Hospital, Abbasiia, Cairo.
- Worked in Dental private clinic June 2006 – August 2014.
- 2008-2009; General Practitioner in Ministry Of Health
- 2009 -2015: Demonstrator in Oral and Dental Biology Department, Faculty Of Oral And Dental Medicine, Al Azhar University For Girls.
- 2016 Master Degree in Oral and Dental Biology, Faculty Of Oral And Dental Medicine, Al Azhar University For Girls
- 2016-2018 Assistant Lecture of Oral and Dental Biology Department, Faculty Of Oral And Dental Medicine, Al Azhar University For Girls.
- 2019 Doctor Degree In Oral and Dental Biology, Faculty Of Oral And Dental Medicine, Al Azhar University For Girls

- 2019 Lecture In Oral and Dental Biology Department, Faculty Of Oral And Dental Medicine, Al Azhar University For Girls.
- 2025 Associated Professor In Oral and Dental Biology Department, Faculty Of Oral And Dental Medicine, Al Azhar University For Girls.

**☐ Teaching the following courses;**

**For both Egyptian and Malaysian undergraduate dental students**

- Oral biology course (development, structure and function of all hard and soft tissues related to oral cavity)
  - Human dentition, dental anatomy and occlusion
  - Oral and dental physiology
  - Dental terminology
  - Craniofacial course
- In addition to teaching practical part of Oral Histology and Embryology for postgraduate dental students
- Responsible for posts and undergraduate courses specification in quality assurance, quality assurance unite, faculty of dental medicine for girls, Al Azhar University.
- Member of Measurement and Evaluation committee, faculty of dental medicine for girls, Al Azhar University. Since 2019-2021.
- Member of Continuous Education committee faculty of dental medicine for girls, Al Azhar University. Since 2022-till now.

**☐ Scientific conferences:**

- Certificated of attendance the 18th scientific dental conference, Damietta, Ras Elbar 4, 5 Sept.2014.
- Certificated of attendance the 1st international scientific regional congress for Ismailia dental syndicate with Egyptian dental association, credit hours; 20 hours. 2-5 December 2014.
- Certificated of attendance the workshop of the dental implant in Faculty of Oral and Dental Medicine, Al Azhar University for girls, 2017.
- Certificated of attendance of diagnosis, pathogenesis and management of jaw cysts live webinar at DSA dental secrets academy, 3<sup>rd</sup> of July, 2020.
- Certificated of attendance the international dental expo and clinical congress, Al Manara Arena center, 24 Credit Hours, November 2020.
- Certificated of attendance the 15th CAD/CAM & Digital Dentistry International Conference, 28 CE credits, November 2020.

- Certificated of attendance the international dental expo and clinical congress (IDEX), intercontinental citystars hotel, Egypt 24 Credit Hours, August, 2021
- Certificated of attendance the Egy Dental International Congress and Exhibition, Held On 7th Till 9th September 2021 At Al Manara Convention Center, Cairo. Egypt, 20 Credit Hours.
- Certificated of attendance of scientific day by al azhar and ain shams university, titled “recent advances of stem cell application in dentistry”held on 2021. Sonestata hotel. Egypt.
- Certificated of attendance Sohag international dental conference(2), held on 2&3 March 2022. Sohag. Egypt.
- Certificated of attendance African Health Excon conference, held on 5-7 June 2022. Egyptian international Exhibition & convention center (EIEC), Cairo, Egypt.
- Certificated of attendance Egyptian dental syndicate international congress. Held on 7<sup>th</sup> -9<sup>th</sup> September 2022. Intercontinental City stars, Cairo. Egypt.
- Certificated of attendance 22<sup>nd</sup> Alexandria international dental congress held at 16-18<sup>th</sup> November 2022. In Hilton green plaza hotel Alexandria, Egypt.
- Certificated of attendance Ismailia regional dental conference held on 14-16 December, at jewel golden hotel, Ismailia, 2022.
- Certificated of attendance the 6<sup>th</sup> cairo international dental congress held at 24<sup>th</sup> -27<sup>th</sup> January 2023- Grand Nile Tower Hotel. 11 credit hours.
- Certificated from the royal college of the physicians and surgeons of Glasgow in collaboration with the 6<sup>th</sup> cairo international dental congress (6<sup>th</sup> CIDC)

#### **❑ Scientific Courses**

Training courses from quality assurance and training center, Al Azhar University, Cairo, Egypt, 2023;

- Effective presentation skills
- Curriculum mapping and course description
- Research design skills
- Self-institution assessment
- Students and exams evaluation
- Electronic control correction courses

- ❑** Communication skills and effective presentation skills workshop, 3 days (18 Credit Hours), al azhar training and development center. September, 2022.

- ❑ Nature Research Academies workshop (Clinical Research Methodology); from nature research academy, Dr. Jeffrey Robens, Editorial Development Manager Nature Research. February, 2022.
- ❑ Nature Research Academies workshop (successful pre-submission publishing strategies) research academy, Dr. Jeffrey Robens, Editorial Development Manager Nature Research. March, 2022.
- ❑ Certificate of participation in intensive course; medical information & technology organized by al azhar university in cairo in cooperation with Linnaeus university, co funded by the Erasmus+ programme of European unite, September, 2022.
- ❑ Training courses from quality assurance and training center, al azhar university "assiut branch;  
Effective legal and administration. Held on 6-7-2025

Others certification:

- Certification of the attendance and successful completion the clinical key training course held at the national training institute- Cairo, Egypt, 2016.
- TOEFL certificate from The Center for Public Service and Community Development, Ain Shams University.
- ICDL (international computer driving licence) certificate 7 modules.
- Certificate for the attendance of online session organized by EKB as part of the professional workshops delivered by Clarivate - Web of Science, 2020.
- Certificate for the participation in electronic control and in posts, undergraduate courses specification in quality assurance, quality assurance unite, faculty of dental medicine for girls, Al Azhar University.
- Digital Transformation course by Microsoft Egypt Company and ministry of youth and sports. March, 2022.
- Artificial intelligence course by Microsoft Egypt Company and ministry of youth and sports. March, 2022.

❑ **Congress speaker**

- Speaker at the international association for dental research, (online congress) 2020 IADR Local Organizing Committee. Sefako Makgatho Health Sc University, November 2020.
- Speaker At Egy Dental International Congress And Exhibition, Held On 7th Till 9th September 2021 At Al Manara Convention Center, Cairo. Egypt.

- Speaker at African Health Excon conference, held on 5-7 June 2022. Egyptian international Exhibition & convention center (EIEC), Cairo, Egypt.
- Speaker at Egyptian dental syndicate international congress. Held on 7<sup>th</sup> -9<sup>th</sup> September 2022. Intercontinental Citystars, Cairo. Egypt.
- Speaker at 22<sup>nd</sup> Alexandria international dental congress held at 16-18<sup>th</sup> November 2022. In Hilton green plaza hotel Alexandria, Egypt.
- Speaker at the “32 International Conference on Dentistry” held on December 12, 2022 35 Ruddlesway, Windsor, Berkshire, SL4 5SF. London, United Kingdom in Webinar.
- Speaker at Ismailia regional dental conference held on 14-16 December, at jewel golden hotel, Ismailia, 2022.
- Speaker at the 6<sup>th</sup> cairo international dental congress held at 24<sup>th</sup> -27<sup>th</sup> January 2023- Grand Nile Tower Hotel.
- Participated as a judge committee for poster presentation in Egyptian association of dental students and 7<sup>th</sup> Arab dental congress. Held in November, 2022, dar elasleha and elzakhera, Egypt.
- Speaker at international dental congress ICDO held at 14-16 February 2024, Nasr city, Cairo, Egypt.
- Participated as a judge committee for poster presentation in Egyptian association of dental students (EDD) and 7<sup>th</sup> Arab dental congress. Held in May, 2024, dar elasleha and elzakhera, Egypt.
- Participated as a judge committee for carving dental anatomy competition and poster presentation in Egyptian association of dental students (EDD) and 8<sup>th</sup> Arab dental congress. Held in May, 2025, Kasr El Ani, Cairo, Egypt.

#### **□ Diploma**

- Achieving the E health certificate diploma program as an outcome of the Eu/Eramus project; ( knowledge triangle, innovation; reinforcing of education, research\ e health and medical links) from august 2022 to January 2023.
- Certificate of participation in intensive course; medical information & technology organized by Al-Azhar University in cairo in cooperation with Linnaeus University, co funded by the Erasmus+ programme of European unite, September, 2022.

#### **□ Book publications**

- Participate as author of chapter (tooth development and cementum) in oral histology and embryology book (theoretical and practical books), oral and dental biology department, faculty of oral and dental medicine for girls, al Azhar University, 2020.
- Author of the book (Diabetes Mellitus between Natural and Synthetic Medicine) at lambert academic publishing (LAP). 2022
- Author of the book (the effect of herbal products on tooth development (odontogenesis)) at lambert academic publishing (LAP). 2024

#### ☐ **Theses supervision;**

#### ☐ **Master degree;**

- Prolactin Hormone Expression in Gingival Samples of Patients with Periodontitis Versus Controls. Faculty of Dental Medicine for Girls, Al-Azhar University.
- Biological effect of Omnichroma and 3M-Filtek Z350XT Nano Composite Resins on Primary Human Gingival Fibroblast cell line (in vitro study). Faculty of Dentistry, Minia University.
- Comparing the effect of plasma and hyaluronidase injections on the histopathological changes caused by filler injection in the upper lip of female albino rats. Faculty of Dental Medicine for Girls, Al-Azhar University

#### ☐ **Doctor degree;**

- Clinical and radiographic evaluation of new regenerative technique for periodontal intra-bony defects using resorbable collagen sponge: a randomized controlled clinical and experimental trial. Faculty of Dental Medicine for Girls, Al-Azhar University.
- The accuracy of different cone-beam computed tomography devices as confirmed with histomorphometric analysis in detection of bone quality at dental implant sites. Faculty of Dental Medicine for Girls, Al-Azhar University

#### ☐ **Scientific Published Researches**

- The effect of aloe vera and eucalyptal oil on the development of tooth germs in albino rats. A histological and histochemical study. A.D.J G., 3(3):193-200, 2016.
- The anticipated effect of zamzam water and epidermal growth factor separately on tongue tissue and lingual salivary glands of diabetic albino rats. A.D.J G., 6(3):329-335, 2019.
- Protective role of royal jelly to alleviate side effects of chemotherapy of sub mandibular salivary glands of albino rats (histological and electron microscopic study). Egyptian Dental Journal. October 2021. 67. 4. 1-10.

- Possible radioprotection of submandibular glands in gamma irradiated rats using kaempferol. A histopathological and immunohistochemical study. International journal of radiation biology. June-2022. DOI: 10.1080/09553002.2022.2094015
- Effect of three different materials on Bond Strength and Enamel Surface Structure of Hypoplastic Teeth. Journal of medicine and life. May 2022, Volume 15, Issue 6, pp 877 – 881. DOI: 10.25123/jml-2022-6002.
- Efficacy of Aloe vera in Treatment of Experimentally Induced Oral Lichenoid Reaction. A.D.J G. 2022.Vol. 9, No. 4. 669: 74.02
- Green coffee as a modified agent for improving the erosive potentiality of the energy drinks on hard tooth structure. The Arab Society for medical research. 2022. vol.17, No 2. 103-109. DOI: 10.4103/jasmr.jasmr\_9\_22
- Ultra structural evaluation of oral keratinocytes of diabetic albino rats treated with epidermal growth factors. The Egyptian Journal of Histology. ISSN: 1110-0559, Vol. 45, No.4. Page 1249-1255. September 2022 . DOI: 10.21608/ejh.2021.84513.1520.
- Effectiveness of a polycaprolactone scaffold combined with platelet-rich fibrin as guided tissue regeneration materials for preserving an implant-supported overdenture. The Saudi Dental Journal (2023), <https://doi.org/10.1016/j.sdentj.2023.08.012>
- Histomorphometric gingival components analysis in different stages of periodontitis. Al-Azhar Journal of Dentistry. 10 (2023) 28-3. <https://doi.org/10.58675/2974-4164.1574>
- The effectiveness of moringia oleifera in the preservation of periodontium after radiation therapy: An experimental animal study. Heliyon Journal 10(2024) e27495. 1-9. <https://doi.org/10.1016/j.heliyon.2024.e27495>
- Periodontal regeneration related to periodontitis treated by garden cress and ozone therapy. Randomized clinical and experimental study journal of medicine in scientific research. 2024;7:11-18, <https://doi.org/10.59299/2537-0928.1066>
- Antiosteoporotic outcome of Fosamax and klimadynon in osteoporotic rats during tooth eruption. Egyptian dental journal .70(2) 1377-86. DOI : 10.21608/EDJ.2024.268645.2932
- Comparative evaluation of the remineralizing potentiality of salvadora perisca and probiotic yougart on incipient dental enamel lesions, an ex-vivo study. Dental and medical problems journal. Published online on June 11, 2024. 1. doi:10.17219/dmp/158561
- Acid Etching's Effect on Hypomineralized Teeth's Bond Strength and Enamel Surface Structure. Cureus (2024) 16(8): e66909. DOI 10.7759/cureus.66909

- Biological effects of two Nano-composite resins on human gingival fibroblast (an in vitro- study). Journal of oral biology and craniofacial research. 15 (2025) 1029–1035. <https://doi.org/10.1016/j.jobcr.2025.07.006>
- Clinical and radiological assessment of grape seed extract versus mineral trioxide aggregates in primary molar pulpotomy A randomized controlled clinical trial. Medicine. (2025) 104(39)p e44827. <http://dx.doi.org/10.1097/MD.00000000000044827>

#### ❑ **Accepted articles**

- Clinical and Histological Evaluation of Gingival Tissues in Different Stages of Periodontitis. Ain Shams Dental Journal. Accept Date: 01 May 2025.
