### PERSONAL

---

#### HISTORY

- **DATE OF BIRTH:** 18/12/1982
- **ADDRESS:** Tanta – Alemem Albosiry street – Gawharet Almotasem tower
- **AMARITAL STATUS:** Married
- **LANGUAGES:** Arabic Mother language, English fluent

### EDUCATION

---

- Bachelor degree of Medicine and general Surgery–Faculty of Medicine - Tanta University November 2005 (Excellent honor rank)
- Master degree in basic medical sciences of Human Anatomy and Embryology – Faculty of Medicine - Tanta University 2011
- M.D degree in basic medical sciences of Human Anatomy and Embryology – Faculty of Medicine - Tanta University 2016.

### WORK

---

#### HISTORY

- General practitioner Doctor in Ministry of Health April, 2006 to July 2007.
- Demonstrator at department of Anatomy and Embryology Faculty of Medicine/Tanta university from 2007-2011

- Assistant lecturer at department of Anatomy and Embryology Faculty of Medicine/Tanta university from 2011-2016.
- Lecturer of Human anatomy & Embryology - Faculty of medicine - Tanta University. since October 2016
- Associate professor of human anatomy and Embryology – Faculty of Medicine –Tanta University – Egypt. From February 2023 till now
- Associate professor of Human anatomy & Embryology - Faculty of Dentistry- AL SALAM University – Egypt from 2022 till now.

## WORK EXPERIENCE

---

- Credit Hours Tanta Medical Program- Faculty of Medicine Tanta university **Human body course co-ordinator 2017-2018**
- Credit Hours Tanta Medical Program Faculty of Medicine - Tanta university **Principles of anatomy course co-ordinator 2018-2019, 2019-2020.**
- Credit points Tanta medical program 5+2 Faculty of Medicine Tanta university **Locomotor Module course co-ordinator 2020-2021.**
- 16 years experience in teaching human anatomy and Embryology in Faculty of medicine - Tanta university.
- 5 years teaching 1<sup>st</sup> year Dentistry anatomy course- Faculty of dentistry – Tanta University.
- 2 years teaching experience of Dentistry anatomy head and neck course- international program- Faculty of dentistry – Tanta University
- 2 years teaching clinical pharmacy anatomy course - Faculty of pharmacy – Tanta University
- 2 years teaching Pharm D anatomy course- Faculty of pharmacy – Tanta University
- 1 year teaching anatomy course – Faculty of Nursing- Tanta University

- **3 year experience in teaching postgraduate anatomy course of Audiology.**
- **4 years experience in teaching human anatomy courses general anatomy , Head and neck in Faculty of Dentistry Al Salam university Egypt**
- **3 years experience in teaching human anatomy courses of general anatomy, upper limb, lower limb and neuroscience in Faculty of Physical Medicine Al Salam university Egypt.**
- **2 years experience in teaching human anatomy courses of general anatomy, in Faculty of Pharmacy Al Salam university Egypt.**

## **THESIS**

---

### **SUPERVISION**

- **Master Thesis: Histological study on the effect of quercetin on experimentally induced ulcerative colitis in adult male albino rat.**
- **Master Thesis: Effect of orlistat versus lipo-six drugson testis of adult obese albino rats: Histological and histomorphometric study.**

## **COURSES**

---

- **Training Course Competency Based Medical Bachelor Program (CBMBP) Credit Hours Tanta Medical Program**
- **Competencies of Online teaching workshop**
- **(Stratagies for performance assessment and rubric design) workshop**
- **Online learning and assessment using learning management system (Moodle) workshop**
- **Training course of preparing blueprint & item analysis for medical sector.**
- **Training course of academic program and course specification February 2023**

- Training course of Academic Leaders March 2023.
- Finished my first semester in Professional Diploma of Medical Education – Faculty of Medicine – Tanta University.

## **PUBLICATIONS**

---

- Amelioration of Cisplatin – induced Ototoxicity in rats by L-arginine: The role of Nitric oxide, Transforming Growth factor Beta1 and Nrf2/HO-1 pathway.
- New insight on the role of liraglutide in alleviating dexamethasone- induced pancreatic cytotoxicity via improving redox status, autophagy flux and P13K/Akt/Nrf2 signaling.
- Ameliorative potentials of Lactoferrin on Methotrexate-induced Nephrotoxicity in Rats: A Histological and immunohistochemical study. The Egyptian Journal of Histology
- The effect of Panax Ginseng on dentate gyrus of ovariectomized albino rats. Histological and Immunohistochemical study. Zagazig University Medical Journal
- Histological Study on the Effect of Quercetin on Experimentally Induced Ulcerative Colitis in Adult Male Albino Rats. Tanta Medical Journal.
- Ketogenic diet enhances delayed wound healing in immunocompromised rats: A histological and immunohistochemical study. The Egyptian Journal of Histology
- The Potential Anti-ulcerogenic Effects of Baicalein and/or Empagliflozin in Induced Gastric Ulcer in Rats: Modulating HO-1/SIRT1 / HMGB1 signaling Pathway. Bulletin of Egyptian Society of Physiological Sciences:

- **The role of hesperidin in ameliorating the histological changes of sciatic nerve in streptozotocin-induced diabetic rats: light and electron microscopic study. The Egyptian Journal of Histology.**
- **Ameliorating effects of adropin on letrozole-induced polycystic ovary syndrome via regulating steroidogenesis and the microbiota inflammatory axis in rats.**
- **Effect of orlistat versus lipo-6 black on the testis of adult obese albino rats: histological and histomorphometric study.**
