1. Course in Clinical Epidemiology, McMaster University, Feb. 14th, 2008,
Four weeks.
2. Course in Basic Statistics, McMaster University November 6th 2008,
Four weeks.

- **Conferences:**

1. **Mid-Atlantic conference on perinatal research**, September 23rd / 2008
Charlottesville: Oral presentation

“Fluctuations in relative humidity provided to extremely low-birth weight infants (RI).”

- 2-**ATS Santiago International conference** accepted as a poster presentation, May 20th /2009, poster presentation:

“Adverse Effects during bles surfactant Administration: Prospective Observation Study.”

3. **PAS (Pediatric Academic Society) annual meeting**, May 1st /2009, accepted as a poster presentation poster presentation;

“Adverse Effects during Bles surfactant Administration: Prospective Observation Study”.

4. **Neonatal transport conference** (It is a small world), Niagara falls, October 19th, 2009. Oral presentation;

“Adverse Effects during bles surfactant Administration: Prospective Observation Study”.

5. ESPR (European Society of Pediatric Research), 50th annual conference
Hamburg, Germany, October 12th, 2009, Poster Presentation.

“Measurement of Relative Humidity (RH) provided to Extremely Low Birth Weight (ELBW) Infants during the 1st 72 hours of life.”

6. First and Second Pediatric Review Courses, Amman. 2004, 2005.

7. Third and Fourth Pediatric Scientific Days at Princess Rahma
Teaching Hospital, Irbid, 2004, 2005.

8. NNI ME symposium, Supporting G.C.C, Gut Confirmed Comfort
25th of April 2014, Dubai UAE.

9. Elite Ped. GI Workshop.
May14-16, 2014 Yas Island, UAE

10. 2nd Mediterranean Congress of Pediatrics, 2nd consensus on Pediatrics and Neonatology.
15-16 April 2015 in Kempinski Hotel, Sofia- Bulgaria (CME 17)

5-8 march 2015

12. 20th Congress of Union of Arab Pediatric Societies and the 15th International Conference Of Jordan Pediatric Society .

29th- 2nd May,20015. Amman ,Jordan

13.' Origins of obesity, is it linked to nutrition or epigenetics '

6th -8th November 20015, lebanone

14. Early Life Nutrition Network Middle East (ELNN-ME) Symposium in Istanbul 25th October 2015

- **Research**

1. Severe airway obstruction during surfactant administration using a standardized protocol: a prospective, observational study

Published in J Perinatol. 2012 Apr; 32(4):270-5. doi: 10.1038/jp.2011.89. Epub 2011 Jul 7.

2. Fluctuations in relative humidity provided to extremely low-birth weight infants (R1).

Published in Pediatr Int. 2012 Apr;54(2):190-5. doi: 10.1111/j.1442-200X.2011.03504.x. Epub 2011 Dec 22.

3. Liver fluid collection in neonates and its association with the use of a specific umbilical vein catheter: Report of five cases.

Published in Paediatr Child Health. 2011 Jan;16(1):13-5.

4. Adverse Effects during bles surfactant Administration: Retrospective study.

5. Adverse Effects during bles surfactant Administration in transport: Retrospective Study.

6. Measurement of Calprotectin in VLBW infants as a tool for diagnosis of NEC, Prospective Observation Study.

• **On Going Research:**

1. Experience of non invasive ventilation of premature baby in south of Jordan, prospective observation study
2. Impact of Auto cooling in HIE in south of Jordan, prospective observation study
3. Role of propranolol in treatment of pediatric cavernous hemangioma, case series study

• **Research publications or abstracts:**

- 1) **Severe airway obstruction during surfactant administration using A standardized protocol: a prospective, observational study**
. J Perinatol. 2012 Apr;32(4):270-5. doi: 10.1038/jp.2011.89. Epub 2011 Jul 7.

- ✓ ATS Santiago international conference, accepted as a poster presentation on May 20th, 2009
- ✓ Submitted to PAS annual meeting on December 1st /2008
- ✓ Submitted to Canadian Society annual conference on December 1st /2008.

- 2) **Fluctuations in relative humidity provided to extremely low-Birth weight infants (R1)..**

Published *Pediatr Int. 2012 Apr;54(2):190-5. doi: 10.1111/j.1442-200X.2011.03504.x. Epub 2011 Dec 22.*

- ✓ The abstract and the initial results were presented in Mid-Atlantic conference on perinatal research on September 23rd, 2008 in Charlottesville, VA.

- ✓ The abstract and the initial result were presented on ESPR, 50th annual conference, Germany, October 12th, 2009, Poster Presentation.

3. **Liver fluid collection in neonates and its association with the use of a specific umbilical vein catheter: Report of five cases.**

. *Published Pediatric Child Health. 2011 Jan; 16(1):13-5.*

- Submitted to SPR annual meeting on December 2nd /200
