Project Website: <https://www.mutah.edu.jo/job-jo/index.aspx>

Facebook: <https://web.facebook.com/Job-Jo-678959875866429>

The specific objectives of JOB-JO are:

- 1- Establishment regional Business Service Network Bureau(BSNB) and this aims to promote employment in the provinces of Karak, Tafila, Maan, Aqaba and Irbid.
- 2- Development of Training courses in the BSNB based on the experience exchange with the EU.

- 3- Producing training material to BSNB.
- 4- Adapting job creation instruments to the needs of young people in remote areas.
- 5- Supporting initiatives designed to enhance the employability of young people in the region.
- 6- Creating employment opportunities by supporting entrepreneurship.
- 7- Include Lesson Learned from the European partners to insure their cooperation with non-academic partners.
- 8- Establishing Network Service between the Universities, Industries, and Public and Private Sectors.
- 9- Promote the relationship between the Jordanian Institutions with EUs and conducting training for Students and staff from JO partners in EU.

The project concentrates on strengthening and enhancing the role of higher education institutions and universities in fighting the poverty, training unemployment and helping the local community in remote area.
